INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
St. James Golf Club Homeowners Association, Inc.

I have audited the accompanying balance sheet of St. James Golf Club Homeowners Association, Inc., as of December 31, 2008, and the related statements of revenues and expenses and changes in fund balances, and cash flows for the year then ended. These financial statements are the responsibility of the Association's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of St. James Golf Club Homeowners Association, Inc. as of December 31, 2008 and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

My audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The Statement of Revenues and Expenses vs. Budget is presented for the purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in my opinion is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

The Supplementary Information on Future Major Repairs and Replacements is not a required part of the basic financial statements but is supplementary information required by the American Institute of Certified Public Accountants. I have applied certain limited procedures, which consisted of inquiries of management regarding the methods of measurement and presentation of the supplementary information. However, I did not audit the information and express no opinion on it.

ST JAMES GOLF CLUB HOMEOWNERS ASSOCIATION, INC.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - ORGANIZATION AND PURPOSE

St James Golf Club Homeowners Association, Inc. was organized as a Florida not-for-profit corporation on October 15, 1998. The Association has been organized for the purpose of operating and maintaining the common property of the Association to enforce the covenants, conditions, restrictions, and other provisions pursuant to Chapter 720 of the Florida Statutes. The Association will include 698 residential units upon completion. All policy decisions are formed by the Board of Directors. .

All policy decisions are formed by the Board of Directors. Major decisions as defined in the Association's By-Laws, are referred to the general Association membership for approval before action is taken.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Fund Accounting

The financial statements have been prepared pursuant to Chapter 720 of the Florida Statutes. The Association's governing documents provide certain guidelines for conducting its financial activities. To ensure observance of limitations and restrictions on the use of financial resources, the Association maintains its accounts using fund accounting. Financial resources are classified for accounting and reporting purposes in the following funds established according to their nature and purpose:

Operating Fund

This fund is used to account for financial resources available for general operations of the Association.

Replacement Fund

This fund is used to accumulate financial resources designated for future major repairs and replacements.

Member Assessments:

Association members are subject to quarterly assessments in advance, to provide funds for the Association's operating expenses and a reserve for major repairs and replacements. Fiscal Year quarterly member assessments for 2008 were based upon the proportionate share of common expenses for the adopted budget. The annual budget and member assessments are determined and approved by the Board of Directors. The Association's policy is to retain legal counsel and place liens on the properties of unit owners whose assessments are in arrears.

ST JAMES GOLF CLUB HOMEOWNERS ASSOCIATION, INC.

NOTES TO FINANCIAL STATEMENTS

Common Property and Fixed Assets

The Association's common property consists of a clubhouse, pool, tennis courts, gatehouse, lakes, drains, inter-connecting lake conduits, entrance, roads, street lighting and related greenbelt areas. Real property and common areas acquired from the developer and related improvements to such property are not recorded in the Association's financial statements because the properties may not be disposed of at the discretion of the Board of Directors and are used exclusively by homeowners.

Effective January 1, 2006, the board of directors has established the policy of capitalizing as fixed assets items with lives of at least 5 years costing \$2,500 or more.

Interest Earned:

The Board's policy is to retain interest earned on replacement fund investments in the replacement fund.

Income Taxes:

Homeowners Associations may elect to be taxed either as regular corporations or as homeowners Association. For the year ended December 31, 2008, the Association has elected to be taxed as a homeowners Association in accordance with Internal Revenue Code Section 528. Under this section, the Association is taxed on its nonexempt function income, such as net investment earnings, at a flat rate of 30%. Exempt function income, which consists primarily of member assessments, is not taxable.

Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expense during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents:

For presentation purposes, the Association consolidates checking, money market and certificates of deposit.

ST JAMES GOLF CLUB HOMEOWNERS ASSOCIATION, INC.

NOTES TO FINANCIAL STATEMENTS

Cash Flows:

The Association presents changes in cash flows using the direct method.

NOTE 3 - FUTURE MAJOR REPAIRS AND REPLACEMENTS

The board is funding for major repairs and replacements over the estimated useful lives of the components based on the Board of Directors update of current replacement costs, considering amount previously accumulated in the replacement fund.

Funds are being accumulated in the replacement fund based on the estimates of future needs for repairs and replacements of common property components. Actual expenditures may vary from the estimated future amounts, and the variations may be material. Therefore, amounts accumulated in the replacement fund may not be adequate to meet future needs for major repairs and replacement. If additional funds are needed, however, the Association has the right, subject to member approval, to increase regular assessments, pass special assessments, or delay major repairs and replacements until funds are available.

The following table reflects the replacement fund assessments, interest income and expenditures during the current fiscal year, along with the beginning and closing balances by the various components:
